

# BERMUDA ZOOLOGICAL SOCIETY

SUPPORT CHARITY FOR BERMUDA AQUARIUM, MUSEUM & ZOO

## Animal Encounter Party

**Ages 5-6 years**

**Birthday Parties will be held on:**

**Sundays**

**11.00am to 1.00pm or 2.00 to 4.00pm**

An Animal Encounter party is for children between the ages of 5 & 6 years.

The base cost is \$300 which covers up to 10 children including the birthday child.

Each additional child over 10 is \$30 per child. The maximum number of children is 12.

There is an additional charge of \$75 for non-members.

**Party cost includes drink, finger sandwiches or pizza and birthday cake.**

**Plates, cups, napkins and banners and party planners will be provided.**

Activities include feeding the turtles in the outdoor turtle pool, 2 "up close" animal encounters and where possible watching the Seal feeding. The Animals used for encounters will depend on which Zookeepers are available on the party date.

**Two party hostesses will be provided by The Bermuda Zoological Society. The parent of the birthday child plus one other parent should attend. Any more parents would pay any applicable entry fee to BAMZ. Parties at the Aquarium are "drop-off" parties. Please keep the number of adults attending to a maximum of 4 as more adults makes it very difficult to coordinate the children.**

Parents should be advised to drop off and pick up their children at the entrance porch to the Aquarium. Children should be collected at the end of the party. BZS staff are not responsible for children after the party has finished.

**The Bermuda Zoological Society and the Bermuda Aquarium actively campaign against the use of balloons of any kind as hazards to marine life and for this reason NO balloons will be allowed on the premises.**
