

Weekend Warriors

Join our band of Trunk Island Weekend Warriors. These volunteers are passionate about Bermuda's natural environment, enjoy working outdoors or are fulfilling the need to give back to the community. They have the pleasure of helping with the caretaking of our "Living Classroom". Together they assist with tasks around the island. These could include everything from planting and path clearing to painting and light construction. The group meets one or two mornings a month to carry out improvements on Trunk. All volunteers over the age of 14 are welcome. We need the help of those with green thumbs, handy with a tool or two or have a construction background. If you don't know we will train you! Come out and work and play in our backyard island.

If you are interested and would like to become a weekend warrior, contact the BZS Volunteer Office at volunteers.bzs@gov.bm or call 293-2727 ext 2130
